Grades and Grading Procedure:

Based on the performance in a registered course, each student is awarded a final letter grade at the end of the semester. The letter grades and the corresponding grade points are as follows:

Grade	Grade Points	Remarks
S	10	Outstanding
A	9	Excellent
B	8	Very Good
C	7	Good
D	6	Average
E	4	Marginal
U	0	Unsuccessful
W	0	Failure due to insufficient attendance
P	0	Pass
F	0	Fail
I	0	Incomplete
X	0	Completed NSS requirements
Y	0	Incomplete (in NSS)

Letter grade U or W implies failure in the course.

The Grade Point Average (GPA) will be calculated according to the formula:

$$GPA = \Sigma(C_i \times GP_i)/\Sigma C_i$$

Where C_i and GP_i are number of credits and the grade point obtained in the an ith course taken during the semester, including those in which the student has secured U and W grades.

In the case of cumulative grade point average (CGPA), the credits C_i of all the courses taken in all the semesters until that point in time are considered in the above formula.

The additional courses audited, if any, are awarded grades but not counted towards GPA/CGPA calculations.

The medium of instruction of courses is English
